

**PEVELY FARMS GOLF CLUB
MONDAY NIGHT GOLF LEAGUE
RULES SUMMARY & CALENDAR
2019**

Registration / League Payments

1. Pevely Farms Golf Club Monday Night Golf League is a 9-hole stroke play league with handicaps, and consists of 16 weeks of league play followed by 5 weeks of handicap Match Play (Playoffs) to determine the League Champion. The total number of league members per season is limited to the first 75 who pay the League fee. League members must complete a registration form (available in the Pevely Farms Pro Shop) and provide an email address when joining the league. Emails are the only method of communication used by the League Commissioner for any notifications and updates regarding league play. Updates and communication can also be found on Facebook page, but only seen if you like page.
2. The League fee is \$80.00 per member for the season if paid by April 1st and is **non-refundable**. League Fee paid on April 2nd or later is \$90. We'll limit to first 75 paid league members. The 9 holes green/cart fee for league reserved tee times on Monday's is \$25 per golfer. League members can play an additional 9 holes before league play, subject to course availability, for an additional \$7. All league fees and green/cart fees are paid directly to the Pro Shop. League fees will be used to: (1) purchase Pevely Farms Golf Club gift cards for members who advance past the First round of playoffs and (2) to pay for league member beer and food nights detailed in the League Calendar below.

Tee Times

3. All events are scheduled with progressive tee times between 3:00PM and 5:30PM. The first to arrive will be the first to tee off. Each tee time will accommodate 4 players. The Pevely Farms Golf Club Starter will pair you up with other league players should you not have 4 players in your group. **Do not tee off until given permission to do so by the Starter.** The Starter will also let you know which 9 holes (front 9 or back 9) the league is playing as the league will alternate front and back 9 weekly. There will be 1 week where we require you to sign up for a tee time (the goal behind this is to allow members of the league a chance to meet and play with other league members).

Tee Box Assignments

4. A member's age as of April 1, 2019 will determine tees to be used.

<u>Age</u>	<u>Tees</u>
54 or younger	Blue
54 (B Flight) or younger	White
55-64	White
65- 74	Yellow
75 – Older	Red

Any league member can elect to play longer tees but must do so for the entire season including league Playoffs. Each member electing to play longer tees must notify the League Commissioner or their score will be disqualified for that week.

Rules of Play

5. USGA rules govern all play except as noted below and except where modified by local course rules and the League Commissioner.
6. All Penalty Areas on course no matter how they are marked will be played as lateral hazards. Lost Balls will also be treated as lateral hazards.
7. Members will play the ball down, meaning do not bump the ball to improve the ball's lie. Only the League Commissioner may change this rule should course conditions be less than desirable. Should the League Commissioner designate lift, clean and place, he will post a note on the Pro Shop door prior to play. Additionally, there are NO "mulligans" or "gimmie putts" allowed during league play. Penalty for non-compliance will be disqualification for the round.

Flights / Handicaps / Scorecards

8. The League will have two flights, A and B. League members will be assigned to either A Flight or B Flight based on their league handicap. The League Commissioner will determine the break for handicaps for purposes of assigning a member to A Flight and B Flight in such a manner to keep the total number of members in each flight the same as is reasonably possible.
9. Each member's handicap will be computed, by the League Commissioner, based solely on league scores, in a manner consistent with GHIN. Returning League members will start with their handicap from the end of last season until new handicap is established. Returning member's handicap will consist of the last 4 league rounds played from prior season plus first 2 rounds of this year. New League members will be assigned a handicap once a player has 4 rounds turned in. Thereafter, a member's handicap will be updated every 2 weeks. During the 5th through 12th week of league play, a member may move from A Flight to B Flight, or vice versa, depending upon their league handicap. All cumulative points earned prior to moving from one flight to the other will transfer with the member. After the first 12 weeks of league play, members will remain in the same flight, regardless of their handicap, for the remainder of the season.
10. In order for a NEW league member to qualify for the first Major they must have 4 rounds turned in, this can include warm up rounds.
11. The League Commissioner will post league handicaps and play results weekly in the Pro Shop. A final handicap computation will be made after the 16th week of league play to be used during playoffs.
12. Members are responsible for turning in their scorecard to the scorer immediately after completing their 9 hole league round. Scorer will accept a single scorecard containing multiple member names and scores as long as First and Last name and gross score by hole is legibly written thereon.

Make Up Rounds

13. Members will be allowed (3) Make-up rounds for the year. No Make-up rounds will be allowed for the 16th week of league play. Members may only use 2 of their Make-up rounds on Majors. Make-up rounds must be played the week prior to or by Sunday of the week in which they did not play and on the same 9 holes played that week by the league. The Pevely Farms Golf Club standard published green/cart fees apply for make-up rounds. This means a member may pay a higher rate for a make-up round than the usual league rate. The 3-stroke rule will be enforced for any Make-up round. The 3 stroke rule means the lowest you can net on any makeup round is 3 strokes better than your handicap (lowest possible net is 33). Scorecards for Make-up rounds must be turned into the Pro Shop immediately after completing a Make-up round and are to be put in an envelope addressed to: MONDAY NIGHT GOLF LEAGUE COMMISSIONER. Scorecard must show first and last name, gross score by hole, and date round was played.

Points / Playoffs / Gift Cards Awarded

14. "Score" points of 5, 4, 3, 2, and 1 are earned in each flight for each member with the lowest 5 net handicap scores for all regular season dates. For each league play date designated as a Major on the League Calendar, the weekly Score points earned in each flight for the lowest 5 net handicap scores will be 10, 8, 6, 4 and 2. In addition, each member will also earn 1 point (a "Show" point) for each week that they play during league tee times and on Major nights each member will receive 2 show points. Members reporting a make-up round, or that play other than between reserved league tee times (3:00 to 5:30 pm) without the prior approval of the League Commissioner, will not earn the Show point.
15. The top 16 highest cumulative point winners in each flight after the 16th week of league play will advance to league Playoffs. League Playoffs format is Match Play with handicaps. Members in each flight play down until a champion is determined. During the 5th round of Playoffs, the winner of A Flight and B Flight play one another for League Champion and 2nd place, and the runner up of A Flight and B Flight play one another for 3rd and 4th place. The 4th and 5th round of playoffs will be contested over 18 hole match play. For the 5th round of Playoffs, the winner of A Flight will give the winner of B Flight and the runner up of A Flight will give the runner up of B Flight, the lower of; (1) 9 strokes, or (2) the actual number of strokes between the difference in their respective handicaps. Of the members who advance to league Playoffs, only those 16 who advance past the first playoff round will be awarded prizes of gift cards from Pevely Farms Golf Club.
16. Must Complete 8 Regular Season Rounds to qualify for playoffs.
17. Consolation bracket will be formed once we have all first round Playoff matches completed. There will be gift certificates to Pro Shop for 1st and 2nd place in consolation this year.
18. If after 16 weeks of league play, there would be a tie for 16th place in either flight the following tie-breakers will be used. First tie breaker for 16th place

after the first 16 weeks of league play will be determined by the most rounds played during league play times on Mondays. Second Tie breaker will be most rounds turned in including make-up rounds. Third tie-breaker will be determined by a coin flip.

Optional Games

19. An optional \$7 game consisting of skins and 2 skill shots (i.e. – closest to the pin, longest putt made, etc.) will be available each week. Only league members can enter this optional game. If a member wants to play in this game, they must sign their name on the sign-up sheet and pay their \$7 to the Pro Shop attendant before play each week. The sign-up sheet will be posted on the Pro Shop counter. During the 4 Major weeks the Skins game will be \$10. Members are required to turn in their scorecard to the scorer immediately after 9-hole league play. Winners will be paid out weekly after the last member in the game turns in their scorecard.

All questions about the league should be directed to:

Kevin Madsen – League Commissioner

Mark Lamoureux – Assistant league Commissioner

Randy Leet – Assistant League Commissioner

Harry Claywell – Assistant League Commissioner

Jim Stebor – Assistant League Commissioner
